Taking care of your product

Your furniture should require no more than a regular dust off with a soft cloth. If the furniture is not painted then a superior wood polish can be used - but never use polishes containing silicone.

If necessary it can be cleaned with a damp cloth with a mild detergent solution - and then dried with a lint-free cloth. Never clean with abrasives or chemical cleaners.

Direct sunlight or heat from a radiator can stain, discolour warp or crack furniture.

We know furniture can be heavy but try not to drag furniture across the floor as this can damage it.

Making the bed. (Two people required)

Slide each mattress rail onto the threaded bar and wooden dowels that you have fitted in the legs. Carefully slide the lunar washer onto the threaded bar as it passes through the large hole in each mattress rail. As this bar passes through the lunar washer slip on the spring washer then the normal washer and then finally the nut. Push the bed frame together. Rotate the nut using the spanner provided and tighten the bed frame.

Fit the bed mattress base

30 x screws

Carefully roll out the mattress base onto the mattress support pieces fitted on the inside of the mattress rails, webbing on the underside. Starting at one end of the bed, push the end lath tight up against the bed legs and screw in place using the two end holes in the lath. Now push the other end lath tight up against the bed legs at the opposite end of the bed, screwing down to secure. Once both ends of the base are fitted, position yourself at the centre of the bed, now fix each end of the central lath making sure that the lath is tight against the both mattress rails(some gentle inward pressure will help). Once these three laths are fixed, secure the remaining base laths, screwing down each lath in turn.

Some "light" inward pressure on both rails before screwing down the bed laths helps keep the bed parallel

Fit the mattress.(two people)

Carefully lift the mattress onto the sleeping surface.

Please use the correct sized mattresses for this product.
